Norwegian Embassy

Norwegian-Lithuanian Chamber of Commerce (NLCC) and The Royal Norwegian Embassy in Lithuania invite you to join the annual Norwegian-Lithuanian Business Forum taking place on the revised date - 7th October.

This year the Forum is "surprisingly" dedicated to the topic *Digitalization*. Also, acknowledging the increased need for flexibility in the times of uncertainty, the event will now be held in-person at Talent Garden Vilnius and delivered virtually. Like the events of previous years, the 2020 hybrid edition will be an inspiring event with a great selection of speakers from organizations including ICT Norway, Telenor, Miles, Yara, among other. Physical attendees will not only receive great content, but also interact with one another during coffee breaks and an outdoor networking lunch at the Residence of the Norwegian Ambassador in Vilnius.

Norwegian-Lithuanian Business Forum 2020 will create a space for easy knowledge sharing and networking by bringing top company executives, decision-makers, successful digital business entrepreneurs, experts, and practitioners.
